

SRI RAKSHA SIVA

Business Analyst · Applied AI · Open to Werkstudent

📍 Heilbronn, Germany ✉ sriraksha17.siva@gmail.com ☎ +91 9940536939

🔗 Portfolio 🌐 Sri-Raksha in sri-raksha-siva

Applied Artificial Intelligence Master's student at Hochschule Heilbronn with professional experience as a **Business Analyst** in India across **B2B and Quick Commerce**. Worked across commercial planning, pricing and margin analysis, SKU planning, sales, marketing, and platform performance, using data to support business decisions and improve operational processes. Hands-on experience with **Python, SQL, Advanced Excel, Power BI, ETL**, and **Google Apps Script**, building analytical models, dashboards, and automated workflows. **Open to Werkstudent opportunities.**

Work Experience

Business Analyst, *TenderCuts.in, Chennai* Jan 2026 – Aug 2026

- Increased **B2B revenue by 15%** through data-driven commercial analysis, performance tracking, pricing initiatives, and operational improvements.
- Improved **category margin by 25%** across approximately **200 SKUs** and **five categories** through data-driven pricing and promotional optimisation across major Quick Commerce platforms.
- Managed platform pricing, purchase order quantities, margin reporting, and SKU planning as the primary analytical point of contact across **five Quick Commerce platforms**.
- Built **Power BI** and **Advanced Excel** dashboards to monitor sales, margins, SKU performance, platform contribution, and marketing KPIs.
- Developed a **Python**-based sell-through model and automated PO and GRN processing, stock-alert monitoring, and recurring reporting, reducing manual operational workload by **10%**.
- Built **ETL** and **Google Apps Script** workflows for data consolidation, validation, reconciliation, and reporting across B2B operations.
- Supported the expansion of Quick Commerce product supply across **six cities** in South India.
- Collaborated with Marketing, Commercial, Supply, and Operations teams to execute platform-specific commercial and growth initiatives.

Junior Business Analyst, *TenderCuts.in, Chennai* Sep – Dec 2025

- Analysed sales, SKU, pricing, order, and platform performance data supporting B2B and Quick Commerce operations.
- Supported pricing, margin, promotional, SKU, purchase order, and GRN processes, including data validation and reconciliation.
- Developed **Power BI** and **Excel** reports for sales tracking, commercial KPI monitoring, and B2B performance.
- Used **Python** and **Google Apps Script** to automate recurring reporting and data-processing workflows.

Freelancer (Frontend Developer), *Greenheaps, Remote* Jun – Aug 2025

- Developed responsive web interfaces and reusable frontend components based on project requirements. Translated **UI/UX** designs into functional and user-focused web layouts.

Data Science Intern, *24/7 Customer Pvt. Ltd, Bengaluru* Feb – Jul 2025

- Contributed to an **AI**- and **LLM**-powered pronunciation training application for real-time speech assessment and personalised feedback. Developed speech analysis functionality to identify pronunciation patterns and generate corrective feedback.

Machine Learning Intern, *Nokia Network and Solutions Pvt. Ltd., Chennai* 2023

- Developed **machine learning**-based image detection models for shopfloor monitoring and operational optimisation. Built a real-time web application supporting shopfloor process monitoring and efficiency improvement.

Deep Learning Intern (Internal), *SRIHER, Chennai* 2023

- Analysed audio and phonation data for voice pathology detection. Developed **RNN**-based approaches for vocal nodule identification.

Web Development Intern (Internal), *SRIHER, Chennai* 2022

- Developed **BEEFAST**, an e-commerce website with integrated frontend and backend functionality.

Research & Publications

Voice Pathology Detection using Phonation – Sri Raksha Siva, Nived Suthahar, Prakash Boomnathan, Uma Ranjan. Presented at ICBEST 2025, **NIT Raipur. Best Paper.**

Tweets in Flight: Analyzing Sentiment Dynamics in the Airline Industry – JoeRaj S Noel, Sri Raksha Siva, Pradeeksha. Presented at AI for Teaching, Learning & Application Conf., Reva University. **Best Paper.**

The AI Revolution: Transforming Education and Gender Equality to Meet SDGs 4 and 5 – Supriya Sam Noel, Sri Raksha Siva, JoeRaj S. Noel. Presented at VTARTS, Vel Tech Ranga Sanku Arts College.

Education

M.Sc. Applied Artificial Intelligence

Hochschule Heilbronn, Heilbronn, Germany
Sep 2026 – Present

B.Tech, Computer Science & Engineering

(AI & Data Analytics)
Sri Ramachandra Institute of Higher Education and Research,
Chennai, India
Sep 2021 – Jul 2025

Skills

Data & BI: SQL, Advanced Excel, Power BI, Tableau, ETL, Data Modelling, KPI Reporting, Dashboard Development, Pricing & Margin Analysis

Programming & ML: Python, Pandas, NumPy, Scikit-learn, Machine Learning, Predictive & Time-Series Modelling, Google Apps Script

Business & Commercial: Requirements Elicitation, Process Mapping, Root Cause Analysis, B2B & Quick Commerce Operations, SKU Planning, Procurement, Odoo ERP, Agile/Scrum

Soft Skills: Communication, Problem-Solving, Cross-functional Collaboration, Adaptability

Certifications

- Business Analytics – University of Pennsylvania (Coursera)
- Google Data Analytics (Coursera)
- Microsoft Business Analyst Professional Certificate (Coursera)
- Generative AI for Business Intelligence (BI) Analysts – IBM (Coursera)

Projects

- Analyzing Mental Health & Sleep Cycles as Predictors of Academic Outcomes Using Deep Learning (ML)
- Social Sparkle: Community Engagement Hub (Website)
- Enhancing Cancer Diagnosis Precision with ML and RNA-seq Technology (ML)
- Reinforcement Learning for an Autonomous Taxi System (RL)
- IMDB Movie Ratings Prediction (DS)
- Marvel Verse – Fan E-commerce Page (Website)

Patents

- AI-Powered Hip Hop Healing and Recovery for Adults with PTSD** (Application No. 202341081298)
- Voices Reimagined: AI-Powered Augmented Reality for Speech Intervention** (Application No. 202441070385)

Extracurricular Activities

- Secretary General, Theatre Club, SRIHER (Nov 2022 – Nov 2023)
- Treasurer, Fine Arts Club, SRIHER (Feb 2023 – May 2023)
- Vice President, Entertainment Technology Club, SRIHER (Dec 2023 – May 2024)

Languages

- English (C2)
- Tamil (C2)
- Hindi (C2)
- Telugu (B1)
- German (A1)
